Auer Farm Summer Science Academy

Let your child experience the daily life of a farmer.

Children at Auer Farm's Summer Science Academy will have fun learning real world science on the 120 acre farm. Through animal care, gardening, churning ice cream the old fashioned way and making other dishes from fresh grown fruits and vegetables, children gain the confidence, fitness and self esteem that comes from their labor. The Academy is Monday thru Friday, with sessions from 9am-12noon. PM hours of 1pm-4pm are available as an extended day for children attending the morning session. At the end of the week, the children will receive a certificate showing they are an "Auer Farm Academy Graduate."

Age 4-6: Animal and Food Fun on the Farm

Age 7-12: "Auer" Farm Eco-World and Nutrition in Action

The Academy runs from June 22nd thru August 14th.

Activities for the programs are age appropriate and include:
Meet, greet and learn about a different farm animal everyday
Make homemade ice cream and other farm fresh foods
Explore the water, nitrogen and green plant life cycles
Look for evidence of predator and prey on the farm
Pick berries in the blueberry patch
Identify different food groups
Investigate plant and animal cells

The cost is \$185 per child 1/2 day sessions, \$300 for all day, additional siblings cost \$100 per session.

For more information, or to reserve a place for your child, please call 860.242.7144 ext. 10 or email us at 4hcenter@comcast.net
