Summer Visiting Farms

Let Auer Farm enrich your summer program

Auer Farm comes to you! Our farm lessons are easy and fun for all ages!

Children have fun while they learn through hands-on lessons.

Lessons are guided by the State Science Framework

Programs include

Rock -n- Roll Ice Cream

Children make ice cream the old fashioned way with a hand-cranked ice cream churn. Then, they get to enjoy the results of their hard work by eating this homemade treat.

Traveling Barnyard

Children meet a real life rabbit and chicken. They will also get to learn about the different animal senses and anatomy.

The cost is \$140 per class with a 30 student maximum.
