# WINTER

## Maple Syrup

*Warm up with a winter treat!!*

Your trip to the 4-H Education Center at Auer Farm will include the legend of how maple syrup was discovered. Take a walk to our maple trees to see how they are “tapped” and how the syrup is collected, then travel to our sugarhouse to learn about the sugaring process. After, warm up and taste some real maple syrup over warm pancakes!

The Maple Syrup program runs from February 22 through March 26 with class times at 9:00-11, 10:00-12:00 and 11:30-1:30. Cost is \$8 per person with a \$160 minimum. For more detailed program information, or to schedule a program, please contact us at 860.242.7144 or email us at [4hcenter@comcast.net](mailto:4hcenter@comcast.net).

*Science for young children is about investigating and exploring real things, developing ideas and theories and sharing with others.*
