

Special Friend of the 4-H Education Center at Auer Farm

Representative Faith McMahon

She attended Fall Festivals and other events, brought many, many classes to the farm.

She loved the farm, the animals, picking raspberries, hayrides, gardens and seeing children learning about agriculture and science in the many hands-on programs.

We miss her and want to memorialize her at the Farm. If you would like to join us in a remembrance, please send a contribution to the farm or use Paypal ([CLICK HERE](#)).

Thank you.
